

INET

Pos.	Driver	Time	Date
1	JESULI	0:29.122	6/06/2008
2	LEON VT	0:29.200	13/08/2010
3	CABEZA	0:29.227	6/06/2008
4	MIYAGI	0:29.267	28/05/2008

Main functionalities

Everything is integrated into your website in your house style:

- Online booking
- Online payments
- Online credit/money recharge
- Live timing, best times, track record
- Online Kiosk, events subscription module, ranking, race browser
- Calendar

To push your business even more:

- Automatic birthday emails
- Automatic emails with a member card renewal warning
- Applications on Social Networks (Facebook, Twitter)

SMS-TIMING 

Not being present online nowadays isn't smart, but because not everybody has the same needs, we have split up the iNet's functionalities in several packages: iNet Bronze, iNet Silver, iNet Gold and iNet Social Networks.

MORE POSSIBILITIES WITH...

- Kiosk to get contact details from newly subscribed customers
- Your Timing Software sends race data to your website and Facebook
